

# CALIFORNIA ASSOCIATION OF PROFESSIONAL SCIENTISTS

## SCIENCE MENTORING PROGRAM

### FALL 2017

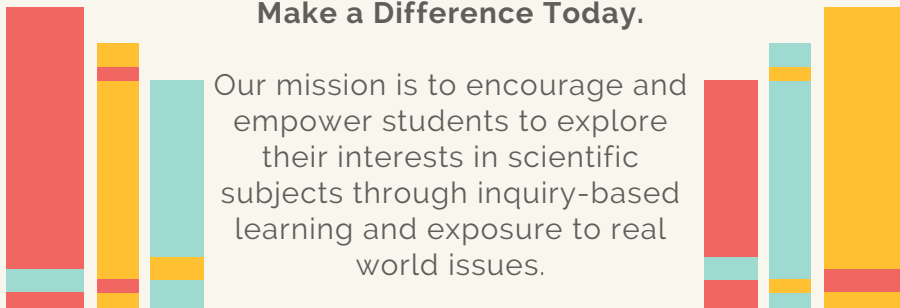

CSMP provides an organized, professional, and safe process to match scientific experts with school and community program classes to mentor students in 7th and 8th grade.

CAPS will match mentors with programs in the Southern California area that fit their schedules and proximity.\*

CAPS Members can sign up online at [www.capsscienists.org/outreach/mentor](http://www.capsscienists.org/outreach/mentor). Please contact us with any questions at [caps@capsscienists.org](mailto:caps@capsscienists.org)

### Make a Difference Today.

Our mission is to encourage and empower students to explore their interests in scientific subjects through inquiry-based learning and exposure to real world issues.
