

CAPS PROPOSAL

Bargaining Unit: 10

Date: May 31, 2018

Exclusive Representative: CAPS

Article: New Section

Subject: Information to Employees

X.6 Information to Employees

Annually, the State shall provide all Unit 10 employees with information relating to their vacation/sick leave or annual leave, CTO balances, and their retirement (employer and employee) contributions and interest. The State agrees to determine if the State Controller's Office can produce statements on other benefits; however, the actual production and distribution of such reports is dependent on the developmental cost and the Controller's priorities.
