

S10 EMPLOYEES CLASS COUNT SORTED BY MINIMUM QUALIFICATONS AND SALARY RANGES

The classifications in green font are those classifications that received the Like Pay Like Work salary increases with the August 20, 2014 Pay Letter. Note that all classifications that received the Like Pay Like Work increases only require a Bachelor's degree per their Minimum Qualifications. The classes in the red font did not receive the LPLW increases or any commensurate raises.

THE AFFECT OF THE LIKE PAY LIKE WORK INCREASES ON RELATIONSHIPS BETWEEN UNIT 10 SUPERVISORY CLASSES

The Pay Letter increases from the Like Pay Like Work affected approximately 75% of the Supervisors at the time of its issue. The Supervisory Classifications no longer have the same trending upward relationship as was present prior to the increases. The Classes in green font remain those that received the LPLW increases, while those in the red font did not. See Figure 2 on page 7.

CAPS SUPERVISOR COMPENSATION PROPOSAL

CAPS proposes that salary levels be increased for those classes that did not receive the LPLW increases to reestablish the upward trend.

<p><i>Congruency with Rank and File Salary Increases</i> Provide commensurate salary increases to all Supervisory classifications that were negotiated by Unit 10 Rank and File classes. Annual five percent (5%) salary increases, compounding, to take effect on July 1 for 2016.</p> <p><u><i>Balance Salary Levels for all S10 Classes</i></u> Increase salary levels for all Supervisory classifications that were not included in the August 20, 2014 Pay Letter based upon current Like Pay for Like Work salary comparisons.</p> <p><i>Honor Like Pay for Like Work Ruling</i> Ensure that the classifications listed in the August 20, 2014 Pay Letter that received compensation equal to classification that perform like work remain parallel in salary.</p>

The CAPS proposal would approximately amount to the following chart and as a result the upward trend would be restored, see Figure 3 page 11.
