Unions Start with YOU

Science Matters. Scientists Matter.

Since 1984, California State Scientists have chosen to stand together in solidarity, as a union, known as the California Association of Professional Scientists (CAPS) to advocate for:

- ✓ Competitive Salaries
- ✓ Quality Health Care
- ✓ Retirement Security
- ✓ Rights in the Workplace
- ✓ Scientific Programs in State Government

The monthly dues of \$59 are a long-term investment in a better workplace, career security and protecting the benefits promised to you and your family, including a secure retirement.

CHOOSE CAPS

State Scientists are stronger together, working as one. Without a single, unified voice speaking up for ALL on pay, benefits, and other terms and conditions of employment, we would be dependent on the good faith and kindness of the Governor and the state Legislature for our compensation package.

When we all do our part, CAPS has the resources to protect our retirement, maintain quality health benefits, and make sure that equitable pay is our top priority at the bargaining table. A strong membership equals power in collective bargaining, with the Legislature and in representing members in all venues.

I hereby apply for membership in California Association of Professional Scientists (CAPS) and designate CAPS as my exclusive representative for all matters relating to wages, hours, and other terms and conditions of employment for all other purposes provided by law.

I authorize the State Controller to deduct from my salary and transmit as designated an amount for membership dues and any benefit program for which I have applied which is sponsored by CAPS. This authorization will remain in effect until canceled by myself or by CAPS subject to the provisions of the Unit 10 Memorandum of Understanding which may limit the time period for withdrawal of membership. I understand that termination of membership will cancel all deductions made under that authorization.
