

CalHR Classification Abolishment Proposal

November 10, 2016

The classification series below have been compiled by CAPS to illustrate the need for a comprehensive review of Unit 10 classifications. CAPS opposes abolishing individual classes from a series because it may make entering into a scientific classification more difficult for new hires and adversely affect promotional opportunities for current members.

Legend

Red font = Classes proposed by CalHR to be abolished

Blue Font = Classes related and/or dependent on those proposed to be abolished

Class Code	Class Title	CBID	PATTERN MQs	MEMBERS
